NORRIS FRAMES TWO PROPOSALS TO CURB COURT

Bill Would Require Two-Thirds Vote by Tribunal To Invalidate Any Law

ALSO HAS AMENDMENT Would Limit Appointments of Federal Justices to Nine Years.

WASHINGTON, March 15.—Senator Charles McNary, D-Ore., today introduced two proposals to curb the power of the federal judiciary.

The first proposal would require a two-thirds vote of the federal judiciary to invalidate any law.

The second proposal would limit the appointments of federal judges to nine-year terms.

Senator McNary said that the proposals were necessary to protect the rights of the people.

The proposals were introduced in the Senate on Tuesday.

Senator McNary said that he hoped the proposals would be passed by the Senate.
